References and Testimonials

Dynamic Technical Leader and Strategic Innovator

“Cooper exemplified the traits of a proactive leader adept at navigating challenges and achieving results... Beyond his technical proficiency, Cooper's business acumen and ability to align resources for the greater benefit of the organization stands out. He consistently rises to the occasion when faced with challenges, earning him the reputation of a dependable leader.”

Russel von Blanck
Sunquest — CIO

David Matarazzo
Amazon — Operations Manager
1st Special Forces Group (Airborne) – Chief of Staff

Trusted Problem Solver and Inspirational Leader

“I always knew that I could count on Cooper and his team to solve any kind of IT problem that came up. In addition to that, Cooper took on additional challenges that were way beyond the scope of his duties.”

Chris Xie
Huawei —
Head of Open Source Strategy

Hire and Develop the Best

“Cooper had stood out as one of the foundational managers who helped provide me a platform to grow from an IT Support Technician to a Senior Technical Program Manager at Amazon.”

David Kan
Amazon —
Senior Technical Program Manager

Transformational Leadership Catalyst: Empowering Growth

“Cooper demonstrated great leadership skills...and transformed me. Cooper provided clear and concise direction to the group he managed and produced results time after time.”

David Matarazzo
Rancho Health MSO — Vice President,
Information Systems

Strategic Visionary and Collaborative Leader

“Cooper is a great IT leader. He has a very strategic vision and insights into...digital transformation in SaaS cloud migration, AWS IaaS governance advancement, and IoT adaption in the security system, etc.”
